Tim Walters

Welcome (or welcome back), everyone. Your OCFA Council had a very busy end to the 2014-2015 academic year – including hosting an extraordinarily successful FPSE AGM in Kelowna (<http://www.fpse.ca/about/agm/documents>) – followed by a much needed summer break, but all of your new representatives are now right back down to business. Please find below an account of our various doings in the past weeks and months. We hope to have a chance to connect or reconnect with you all at the various socials which begin next week, where we hope you'll let us buy you dinner and a drink or two and introduce you to your new OCFA Council and CARC representatives. If we can be of any service to you in the meantime, please don't hesitate to get in touch.

Cheers, Tim

Labour Humour

"Do you believe in life after death?" the boss asked one of his employees.

"Yes, Sir." the employee replied.

"Well, then, that makes everything just fine," the boss went on. "After you left early yesterday to go to your grandmother's funeral, she stopped in to see you."

What brought you to your current position of 2nd Vice President/Bargaining Chair on the OCFA Executive ?

BG: I had heard little about the rest of Okanagan College, except by rumour, when I first started working here. I wanted to participate to better understand both internal and external relations. I was actually recruited by a member of the OCFA Executive to be the Kelowna representative. Also I teach Industrial Relations, so I thought with that background it would be useful for me to see how things actually operate. Also, it is our Association and we should all participate.

BG: The secret to life is playing a bad hand well. Told to me by my Dad.

BG: I spend my summers on marathon canoe trips down the rivers of Western Canada and the US. This past summer I was canoeing on the San Juan River in Utah and in Alberta.

Last year, a small group was formed open to all AFP Faculty called the AFP Research Hub. This group is interested in facilitating and promoting research activities in Arts and Arts-related disciplines at Okanagan College.

Some of the initiatives of the past year include:

The creation of an Arts Research Hub section on the Arts website, which includes stories of research interests from 4 of our Faculty--Hannah Calder, Raluca Fratiloiu, Linda Elmore and Donna-Leigh Goodman. http://www.okanagan.bc.ca/Programs/Areas_of_Study/arts/AFP_Research_Hub.html

The site also includes a comprehensive list of research activities and publications:
http://www.okanagan.bc.ca/Programs/Areas_of_Study/arts/AFP_Research_Hub/AFP_Projects.html,

A Research Opportunities page that lists recent and upcoming events and funding opportunities for AFP Faculty:
http://www.okanagan.bc.ca/Programs/Areas_of_Study/arts/AFP_Research_Hub/Research_Opportunities.html

I have also spent some time in the past year meeting with and discussing the 'place' and direction of research at the College with a selection of members of the leadership team, and shared the meeting notes with the group. If anyone is interested in participating in the Research Hub group, all are welcome to get in touch with me. We are particularly interested in gathering research stories from AFP faculty, assembling resources on the site, and just getting together to talk about research at the College and the direction and activities of the group. New employees with publications or projects they would like to profile please contact me and I can post these on the site.
