

#### **Evaluation Procedure**

Term Work	20%
Mid-term Exam	30%
Final Exam	50%
Total	100%

#### Notes

## Term Work

Will include hand-in assignments and short in-class quizzes.

#### Calculator

Students will require a financial calculator for this course. The Texas Instruments BA-II Plus is strongly recommended, but any brand or model of non-programmable financial calculator, which can perform time-value-of-money calculations, is acceptable.

#### Exams

Please note that Okanagan College Policy states that all students must write final examinations when required at the scheduled times and dates.

### **Required Texts/Resources**
